

Welcome to EDHS

The 2022/2023 school year is fast approaching and we at EDHS are thrilled to have you join our school family. To assist students as they transition from summer holidays to school studies we have organized a morning orientation session for all incoming Grade 9 students.

Grade 9 Orientation Day: Thursday, September 1st - 9:30am - 12:30pm

9:30 - 10:00	Student arrival and House reveal.
10:00 - 10:30	Ice breaker activity and House cheer.
10:30 - 11:15	School tour
11:15 - 12:00	Tech and Tips for Success!
12:00 - 12:30	Lunch and Q&A

We aim to make this both an informative and a fun filled morning. This is a great way to become familiar with EDHS and speak with both student leaders and teachers about what to expect during the coming year. All participants are asked to arrive at the main entrance and ready to go for a 9:30am start.

Look forward to meeting all our future Eagles on Thursday morning.
